In accordance with the rules of NCG's constitution the committee members shall retire at the AGM. David Price (Chair), Martin Roper (Rides Co-ordinator) and Mike Farrington will not be putting themselves forward for re-election. Tish will be moving to a campaigning sub-group and a new secretary will be needed.

The remaining committee members are willing to continue in their roles. We propose to change how we operate to improve the balance between the group cycle rides and campaigning for better infrastructure. We hope that this might encourage more people to get involved in running the group and would welcome anyone who would like to put themselves forward.
